IIMSAM'S Special Adviser **Mr. Tariq Taqi** in support of the IIMSAM Mandate and the UN Sustainable Development Goals-2030 to achieve the ambitious Sustainable Development Goals (SDGs), launched by the UN in September 2015 in New York to be reached by 2030. In particular, in the purview of IIMSAM'S Mandate **SDG# 2 End hunger, achieve food security and improved nutrition and promote sustainable agriculture.**

Special Adviser Taqi has continuously lobby the Government of Pakistan in Islamabad to the concerned authorities about the benefits of Spirulina as a vehicle to tackle acute malnutrition which is pervasive in Pakistan. Mr. Taqi tireless efforts have led to inroads with **DXN CEO in Pakistan Mr. Zarif Ahmed & Mr. Saeed Senior Manager DXN Pakistan** to introduced IIMSAM working & presence in Pakistan & its expertise not only distribution of Spirulina but also its research basis & cultivation support of Spirulina internationally. As well as further research via spirulina pundits from the IIMSAM Council of Expert. Which can pave the way for an eventual Spirulina Cultivation Humanitarian Facility in Pakistan.

DID YOU KNOW?

"The National Nutrition Survey States that 44 per cent of under-five children in Pakistan are stunted, 32 per cent underweight and 15 per cent suffer from acute malnutrition."

DID YOU KNOW?
