in advocating through the use of Spirulina which was declared by the **UN-World Food Conference of 1974** as the **“best food for the future”**.

Nations General Assembly Resolution (A/Res/70/154 The Right to Food ADOPTED ON THE 17 DECEMBER 2015:

crisis, while, according to the latter organization, the planet could produce enough food to feed everyone around the world>

helping to make all this possible.

“ICONIC-Ambassador of IIMSAM H.E. Dr. Sulaiman Al Fahim, who paved the road in 2009 for the IIMSAM organisation’s Institutional Development and name branding in the UAE, Its infrastructure in New York, Kenya, and the recruitment of many of its pillar early Goodwill Ambassadors 2010-2011 along with funding that made it possible for IIMSAM to have a firm base at its infancy and most crucial time. **“For this I am eternally grateful and deeply appreciative to His Excellency Dr. Sulaiman Al Fahim who has continue his support till present.**

“When I was in school, I read about Gandhi who said that there are people in the world so hungry, that God cannot appear to them except in the form of bread. I found these words so profound that I decided to make them our Motto for IIMSAM. These words today are also relevant especially when the <United

Considers it intolerable that, as estimated by the United Nations Children’s Fund, more than one third of the children who die every year before the age of 5 die from hunger-related illness and that, as estimated by the Food and Agriculture Organization of the United Nations, about 795 million people in the world remain undernourished due to the lack of sufficient food for conducting an active and healthy life, including as one of the effects derived from the global food

*“I would also like to express my sincere gratitude for the immense support of the following IIMSAM Senior Secretariat Members for their unparalleled fortification of the IIMSAM Programmes with **“Concrete Deeds”** Over the last seven years”*

H.E. Ambassador Hazim Al Juboori, whose sponsorship of the First IIMSAM General Assembly in 2010 in Jordan in cooperation with the Ministry of Agriculture and funding which propelled the organisation to expand its programmes in 2010-2011, and its Institutional Development throughout the MENA Region.

H.E. Kunwar Vikrant Sandal and Hashbiotech Labs for "Concrete Deeds" continuously since 2009 in supporting the IIMSAM Organisation not only in distributing over **250,000+ spirulina dosages** periodically in Punjab, India. Hashbiotech Labs R&D Team with their State of the Art Innovations in 2014 the IIMSAM Spirulina Tablets, Phycocyanin a Revolutionary Molecule extracted from Spirulina for cancer care support; and in 2015 the IIMSAM Spirulina Nutritional Chocolate Super Bar with an unprecedented 5grams of spirulina and each bar unique in the world.

"My gratitude to **Mr. Samir El Neel** who has donated unmeasurable Inkind time to IIMSAM work and has been a catalyst in funds gathering for IIMSAM since 2009 as our Senior-Media-Director, Media Outreach of the Secretary-General. (GCC-MENA-Region.) & Chief-Editor IIMSAM Arabic Language "**Verbatim**".

The Late Ambassador H.E. Antonio Angiulli, for his tenacity and staunch support of the IIMSAM Organisation in times of Severe and almost insurmountable challenges facing the organisation externally and internal May God Bless his Soul in Paradise. **The Late H.E. Goodwill Ambassador. Saleem Sayegh**, whose funding and Inkind contributions had a lasting impact on the IIMSAM organisation. May God Bless his Soul in Paradise for his outstanding humanitarianism not only to IIMSAM but to all of those who were part of his life.

My most sincere and deep gratitude for the new generation of recently appointed Secretariat Members and **IIMSAM Heroes of 2015:**

For supporting IIMSAM with fiscal, logistical and Inkind donations in support of the IIMSAM Programmes and its Institutional Development: **H.E. Dr. Fahad Merhebi, H.E. Dr. Sheikh Al Dhary, H.E. Mohammed Saad, H.E. Dr. Omar Suliman Ajaji, H.E. P. Kumar, H.E. Dr. Ayman Abdalla El Bayaa, H.E. Thierry Morano**, and other Secretariat Members, who have contributed in an unsung way towards the IIMSAM Madate and its Institutional Development. All forces must be brought to bear to meet our Mandate and help to address the problems we face. I look forward to our realising these opportunities together.

"IIMSAM is proud of the accomplishments and concrete deeds that we have achieved thus far since 2009 till the present time under severe extreme circumstances and challenges. Since 2009 till present day **400,000+ have been served 5,655,440+ million dosages of Spirulina have been freely distributed to the needed populations**, fighting infestation of various ailments including HIV/AIDS, Malaria, Sickle Cell Anemia, Diabetes, Cholera outbreak etc. and other challenges such as autism. "**IIMSAM'S Sheikh Zayed Centre in Kisumu, Kenya** its looked upon by the local population as a beacon of hope for overcoming these illnesses which at times has burden our Centre in the demand for Spirulina which the local population see it as a "**Panacea**". "I look forward to our realising these opportunities together. We at IIMSAM commit ourselves towards; as **Secretary General Ban Ki moon says: real commitment real action**. I am confident that our interaction with the Gandhi Global Family result in spreading awareness and build support for our cause with "**concrete deeds**" in a synergy of cooperation to benefit those in need. May God (Allah) bless the IIMSAM Organisation and its Strategic Partners and the thousands who have benefitted from our programmes.
