IIMSAM's Global Goodwill Ambassador "**K2RhyM**" Tunisian Mega Rap Artist makes an unprecedented four days visit and distributes imperative Aid to Refugees or Internally Displaced People (IDPs) in five camps: (1-Harsham Camp-2-Bahrka Camp-3-Kawrgosk Camp-4-Khazr Camp-5-Ashti Camp) with a total population of 52,000. The Camps are under the Kurdistan Government & the UNHCR-The United Nations Refugee Agency. Without a synergy of cooperation with the entities above the humanitarian distribution would not have been possible. IIMSAM is grateful for their assistance and logistical support they provided during the IIMSAM's Goodwill Ambassador's **K2RHYM** official visit.

These Internally Displaced People, (IDPs) the most vulnerable in society, have already withstood war, conflagration, hunger and starvation and so many unspeakable acts. Thus, without the continuous humanitarian intervention provided. They would also be prone to experiencing severe medical conditions, some life-threatening – like Leishmaniasis (a tropical and subtropical disease caused by Leishmania and transmitted by the bite of sandflies. It affects either the skin or the internal organs.) Without any help or hope and nowhere to turn for it. Food, Milk, Medical supplies are crucial to their survival.

Comments from the IIMSAM Global Goodwill Ambassador K2RHYM for IIMSAM's Newsletter: "After visiting the camps I felt as though the world is living through an era of mass displacement. 'Never before have so many people been dispossessed or stripped of their human dignity and children of their childhood,' K2RHYM said. "There is an explosion of human suffering': K2RHYM pleads to the world to do more in particular for the children in these camps. " It was beautiful to see the children's happy faces with a sense that someone cares for them.when we were giving out the sport clothes and footballs."" (See pictures.)

THE GROWTH WAS CONCENTRATED BETWEEN 2012 AND 2015, DRIVEN MAINLY BY THE SYRIAN CONFLICT ALONG WITH OTHER CONFLICTS IN THE REGION SUCH AS IN IRAQ AND YEMEN, AS WELL AS IN SUB-SAHARAN AFRICA INCLUDING BURUNDI, THE CENTRAL AFRICAN REPUBLIC, THE DEMOCRATIC REPUBLIC OF THE CONGO, SOUTH SUDAN, AND SUDAN. (SOURCE UNHCR 2017 THE GLOBAL TRENDS REPORT.)

Brief-Background on Kurdistan (Iraq) Refugee-Plight:

Kurdistan, with its population of approximately 5 million, has received over two million refugees as a result of armed conflict in the region. The refugees are mostly internally displaced persons (IDPs) from Southern Iraq and include refugees from Syria. Among the refugees there are more than 0.6 million children, most of whom are malnourished IIMSAM is currently working on a ***"Modus Operandi" wth respective authorities to be able to put in place a Pilot-Project for the distribution of Spirulina to combat malnutrition in the selected camps for the Pilot-Project.*** In summary, all the refugees are urgently in need of clothing, shoes, sleeping bags, food, and medical care on a continuous basis.
