SG. R. Maradona Commented:
“The food shortages have hit mainly ‘Instead of Coronavirus, acute food shortages can lead to hunger and death.’ “Kenyan people deserve to catch the scent of victory” over hunger and malnutrition.” Our strategic partnership with H.K. can help in combating the food shortages

to prevent hunger and malnutrition, at least within our sphere of work.” “Tackling hunger in Kenya is possible. But a more concerted effort needs to be made to ensure all its causes are adequately addressed by all the parties concerned.”

<>>

*** The recently released 2019-20 Global Hunger Index shows that millions of Kenyans are going hungry and that the country suffers from serious levels of hunger.**
