IIMSAM'S Official Ambassador Resident Representative In KRG-Iraq H.E. Amb. Kawa Aban (left photo IIMSAM's Official-Office in KRG-Iraq.) As COVID-19 upends daily lives and communities, IIMSAM's concern is to keep protecting children and others in COVID-19. By delivering its Exo-Humanitarian-Activities vital aide for life sustainability in underprivileged communities during the current crisis. **H.E. Mr. Kawa** took a decisive decision to assist those in need. Particularly vulnerable groups of needed peoples who are coming to the IIMSAM office seeking immediate assistance as they have nowhere to turn to for vital support in providing them with provisions and electrical heaters to warm their homes during the cold winter months.

IIMSAM'S Official-H.E. AMB. Kawa Aban & Resident-Representative in the KRG Commented:

"A group of vulnerable people visited IIMSAM office asking for IIMSAM support to provide them with an electrical heater for their houses and families in this cold season,

as the community lives in challenging circumstances due to the financial crisis that covers all over Iraq and KRG, besides, the COVID-19 pandemic that made many people lose their jobs and be in an awful situation. "We have to provide electrical heaters, among other things." "IIMSAM took the immediate responsibility to take action to support these families from the humanitarian aspect view as well as our mission in supporting the stakeholders as together we can do a lot. As IIMSAM KRG Office, we respond to this urgent crisis directly and assisted 75 vulnerable families (Approximately 400+ Individuals.) They were so happy when they received this winterization kit, including electrical heaters." This time our success was more rewarding in helping the underprivileged. This time, they came to us for help by visiting our office, meaning that IIMSAM now has strong visibility in Kurdistan Regional Government. H.E. Kawa wished everyone a happy holiday season and a healthy 2021."
