DR. LIM SIOW JIN, IIMSAM' GOODWILL AMBASSADOR IN MALAYSIA FOUNDER OF DXN (IIMSAM-STRATEGIC PARTNER) - CONTRIBUTES AN IN-KIND GIFTS LIFE SAVING ESSENTIAL EQUIPMENT "INTER ALIA" DURING THE COVID-19 PANDEMIC CRISIS IN INDIA.

Dr. Lim Siow Jin, IIMSAM' Goodwill Ambassador in Malaysia founder of DXN an IIMSAM Strategic Partner for the **DXN/IIMSAM One Million Children Campaign for the free distribution of Spirulina to under-privileged communities worldwide**, has given an **In-Kind Donation** valued at **\$272k+** to quickly assist in the Covid-19 crisis in India by airlifting: Oxygen Concentrators from Malaysia by Spice Jet Airline to support and to help India during the pandemic crisis. The conduit to receive this vital humanitarian aid to perform the groundwork of distribution is Sunyatee International Foundation. **The life-Saving cargo** arrived at Hyderabad Airport and was received by IIMSAM's conduit SIF to commence this imperative humanitarian relief work, the free distribution of the oxygen concentrators. *"inter Alia"*.

Comments by IIMSAM'S Goodwill Ambassador Dr. Lim Siow Jin: *"We sincerely express our gratitude to the Government for the extreme support in executing this process. We also want to mention and thank the Customs Department and Nodal Department for the tax waiver of IGST for extensively supporting our donation activity."*

SIF is currently mobilizing the free distribution of **400 oxygen concentrators** and other vital items such as **Mask, PPE kits, Glasses** for free distribution to the needy to help India fight the Covid-19 crisis, not only through the In-Kind humanitarian activities but also by providing relief and rehabilitation programs in times of crisis. IIMSAM's conduit Sunyatee International Foundation also strengthens systems to fight malnutrition and feed children without family and children with disabilities. The foundation helps rural women to initiate income-generating activities and provides an opportunity to experience the dignity associated with becoming self-sufficient. Experts teach skills like sewing and stitching kimonos. We're determined to end hunger everywhere, not only on the frontlines of an emergency.
