IIMSAM OFFICIAL AMBASSADOR/RESIDENT-REPRESENTATIVE H.E. MR. KAWA ABAN (KURDISH-REGIONAL-GOVERNMENT-IRAQ.) MEETS DR. FARIS ALBRIFKANI, PROMINENT MEMBER OF THE PARLIAMENT OF IRAQ TO SET THE ROAD MAP TO FACILITATE THE MEGA DISTRIBUTION OF SPIRULINA TO THE CHILDREN IN THE KURDISH REFUGEE & IDP-CAMPS/UNHCR UNDER THE IIMSAM-DXN WORLDWIDE ONE MILLION CHILDREN FOR THE FREE DISTRIBUTION OF SPIRULINA 90 DAYS PROGRAMME AGAINST ACUTE-MALNUTRITION.

( *Bagdad-Iraq-on the 20 of May - 2021*). H.E. Mr. Kawa Aban, Official-Ambassador of the IIMSAM-I.G.O Meets H.E. Dr. Faris Albrifkani with his security officer and the vice president of the Health Committee in the Parliament of Iraq that delegates with the Ministry of Health. IIMSAM-KRG Staff had a warm welcome from Dr. Faris Albrifkani; this meeting was about IIMSAM's Exo-Humanitarian Activities from 2017 to the present. A road map was discussed that would lead to the distribution of the Spirulina in Iraq and an educational campaign as to how important it is to use Spirulina in our daily lives and how vital it is for the children in the Refugees and IDP camps. Also discussed was the IIMSAM-DXN campaign free-Spirulina for one million children and the bottlenecks in custom and shipping problems from Malaysia to Iraq & KRG, which need to be solved to benefit the children.
