MS. VU HUYEN DIEU FROM VIETNAM WORKING WITH CONCRETE
DEEDS UNDER IIMSAM WITH "GIVE A HAND" FEEDING
PROGRAMME FOR 500+ UNDERPRIVILEGED FAMILIES.**

Almost two years in, the widespread impact of COVID-19 continues to deepen, increasing poverty and entrenching inequality. But the pandemic is an inflection point and what happens next is up to us. Since the pandemic, we have been tracking how children's lives have been disrupted due to COVID-19. This is why we have always demanded our IIMSAM'S Goodwill Ambassadors, Youth Advocates, Youth Ambassadors, and others to work with "Concrete Deeds" to support the IIMSAM Mandate. Through their in-kind contributions via humanitarian activities, we have fed thousands worldwide. **Ms. Vu Huyen Dieu** its no exception. An outstanding exemplary Youth Advocate under the iimsam organization distribution program took place in Ho Chi Minh City. **Ms. Vu** acted swiftly to help **500+** families from underprivileged sectors in Vietnam's Ho Chi Minh City. Some of these families have also been affected by HIV/AIDS. The distribution depicted on this PR of meals and other items took place in Cultural Center of Districts 5-6 - on the 16th January 2022. Ho Chi Minh City.
