IIMSAM'S YOUTH - ADVOCATE & MS. ECO TEEN INTERNATIONAL 2021/2022 MS. VU HUYEN DIEU FROM VIETNAM WORKING WITH CONCRETE DEEDS UNDER IIMSAM WITH IIMSAM'S SECOND EXO-HUMANITARIAN ACTIVITY WITH 5000K - UNDERPRIVILEGED BENEFICIARIES FEEDING PROGRAMME.

Almost two years in, the widespread impact of COVID-19 continues to deepen, increasing poverty and entrenching inequality. But the pandemic is an inflection point and what happens next is up to us. Since the pandemic, we have been tracking how children's lives have been disrupted due to COVID-19. This is why we have always demanded our IIMSAM'S Goodwill Ambassadors, Youth Advocates, Youth Ambassadors, and others to work with "**Concrete Deeds**" to support the IIMSAM Mandate. Through their in-kind contributions via exo-humanitarian activities, we have fed thousands worldwide. **Ms. Vu Huyen Dieu** its no exception. An outstanding exemplary Youth Advocate under the iimsam organization distribution program took place in Ho Chi Minh City. **Ms. Vu** acted with her second Exo-

Humanitarian Activity which reached **5000K** underprivileged Beneficiaries as well as

children of doctors, medical staff, orphans in Vietnam's Ho Chi Minh City. Cultural Center of Districts 5-6 - on the 19th January 2022. All who have been affected by Covid-19 & its variants. Activity coincided with Vietnam's Lunar New Year.
