IN SUPPORT OF THE UNITED NATIONS DECADE OF ACTION 2020-2030 THE SUSTAINABLE DEVELOPMENT GOALS

## IIMSAM NEWSLETTER 9 - SEP - 2024 - NYC - EST.

**Bella Vũ, Prolific - Youth-Goodwill Ambassador of the IIMSAM in support of the UN Sustainable Development Goals 2020-2030 Agenda.** In Vietnam, the Bella Love Foundation exhibited its unwavering commitment to education and community support by awarding five scholarships to disadvantaged new students. Each scholarship included a cash prize of 3 million VND and a backpack aimed at alleviating the financial burden and motivating these students to pursue higher education. This substantial contribution reflects their steadfast efforts to empower underprivileged youth and provide them with opportunities for growth and success. Bella couldn't attend the closing ceremony because of the "Supporting the Exam Season." program in person organized by the Ho Chi Minh City Student Association, the Ho Chi Minh City Student Support Center, and Thiên Long Group; she sent a representative to convey her heartfelt support.

On behalf of the Bella Love Foundation, five scholarships were awarded to disadvantaged new students. Each scholarship, comprising a cash prize of 3 million VND and a backpack, directly reflected the foundation's mission to alleviate the financial burden and encourage these students to pursue higher education. This generous contribution from Bella Vũ and her foundation aligns perfectly with their ongoing efforts to empower underprivileged youth and provide them with opportunities for growth and success.
